## ACCOUNT CODE OVERVIEW

### PERSONNEL ACTION REQUEST (PAR)

The Padded PAR (STD-680A) is designed to report coded information establishing an employee's Employment History record for the following:

- Appointment when new to State service.
- Appointment when returning to State service and history is not yet on the database.
- Appointment to an additional position when position history is not yet on the database.
- Other transactions when completing more than one PAR.

The Turnaround PAR (STD-680) is designed to report coded information about personnel, payroll and/or retirement changes in an employee's status occurring during the course of State employment.

When a PAR is processed at Personnel Operations (State Controller's Office), a confirming Turnaround PAR with the updated information is issued. The new Turnaround PAR provides notice to the appointing power that a change has been processed and provides an ongoing record of the employee's Employment History.

**NOTE:** For information or questions about completing the Padded/Turnaround PAR(s), contact the Liaison Unit at the State Controllers Office.

### Transaction Log (T-Log)

The employee information is submitted to the State Controllers Office (SCO) through the PAR. Then certain information from the PAR is sent to CalPERS via the Transaction Log (T-Log). One very important section of the PAR is Section 505. This is where you provide the employee's account code.

### Account Codes for PAR Section 505

The following pages provide all of the account codes for Section 505 of the PAR, as well as a list of various employment conditions.

However, before proceeding to the account code chart, the following information is needed to help you determine what account a member should be placed in:

1. **Member Group** – for the position the member is going into:
  - Miscellaneous – Government Code section 20380
  - Industrial – G.C. 20382
  - Safety – G.C. 20399 to 20415
  - Peace Officer/Firefighter (POFF) – G.C. 20391 to 20398, 20416
  - CHP – G.C. 20390

You can refer to the above sections of the California Public Employees' Retirement Law (PERL) if you need to determine the member classification. If after referring to the PERL, you still cannot make a determination, then please contact CalPERS for assistance.

2. **Alternate Retirement Program (ARP)**  
(This applies to **Miscellaneous/Industrial State Civil Service members only.**)

You need to complete the Alternate Retirement Program (ARP) Eligibility Worksheet to determine if the employee should contribute to ARP or CalPERS. The worksheet can be found at the Department of Personnel Administration (DPA)'s Web site, either in PML 2006-053 or through the Personnel Information Exchange (P.I.E.) System. If it is determined the employee contributes to CalPERS, then use the following information to help you determine which account code the employee will go into.

Please note that this is the latest Alternate Retirement Program Eligibility Worksheet at the time of printing of this handbook. Please refer to the DPA Web site at [www.dpa.ca.gov](http://www.dpa.ca.gov) to see if there is a later version. For more information in this handbook, please see the ARP section on page 36.

3. **First-Tier vs. Second-Tier**

(This applies to **Miscellaneous/Industrial State Civil Service members only**. Public Agencies, County Schools and CSU members do not have Second-Tier.)

First-Tier refers to a retirement formula where members make contributions (either 5% or 6%) to CalPERS and are covered under the State Miscellaneous/Industrial 2% at age 55 formula.

Second-Tier refers to a retirement formula where members do not make any contributions to CalPERS and are covered under the 1.25% at age 65 formula.

For additional information on the First- and Second-Tier Retirement Plans, please see "Your Retirement Formula Options" section of the Retirement Benefit Election Package booklet (PERS-PUB-52).

Determining Tier Eligibility:

- Did the member elect Second-Tier at any time? If the answer to this question is yes, please refer to the "First-Tier vs. Second-Tier Chart" on page 151 in the "Membership – Civil Service/CSU" section of this handbook for additional help with determining the correct tier in which to place the employee.
- Effective 8/11/04 all new members hired by the State, who do not meet one of the exceptions (see above for additional information), are mandated into the state ARP for 24 months. During this 24 month period they make contributions to the state ARP which is a fund administered by the Department of Personnel Administration (DPA). After the 24 months, the member begins to contribute to CalPERS in the First-Tier. At any time within the next 180 days the member can elect to go to the Second-Tier. Any election for the Second-Tier needs to be sent to CalPERS for processing.
- Effective 01/01/00 all new members are mandated into First-Tier but can elect to go Second-Tier within 180 days. Existing Second-Tier members were also able to elect to go to the First-Tier.
- Between 07/01/91 and 12/31/99, new members were mandated into Second-Tier with no option to go to First-Tier.

- Between 01/01/85 and 06/30/91, new members were mandated into Second-Tier but could elect to go into First-Tier.

4. **Social Security:**

(This applies to **Miscellaneous/Industrial members only**. State Safety, State POFF and CHP members do not pay into Social Security.):

- In the Account Code Chart, look for an account code with an "N" in the O=SS/Med; M=Medicare; N=Neither column if in 1961 the member elected no to Social Security for State service.
- Look for an account code with an "O" in the O=SS/Med; M=Medicare; N=Neither column if in 1961 the member elected yes to Social Security for State service.
- Any Miscellaneous/Industrial employee hired into State service after 1961 will have Social Security — look for an account code with an "O" in the O=SS/Med; M=Medicare; N=Neither column.
  - Exception: If the member is a non-resident alien with an F-1, J-1, M-1 or Q-1 Visa, they are not subject to Social Security so look for an account code with "N".

5. **Medicare** applies as follows:

- **Miscellaneous/Industrial** members who elected no to Social Security in 1961 but were rehired following a permanent separation or break in service on/after 04/01/86 will have to pay Medicare only, no Social Security. Look for an account code with an "M" in the O=SS/Med; M=Medicare; N=Neither column instead of "N".
- **Safety, POFF or CHP** members:
  - If first hired with the State prior to 04/01/86, the member will not have to pay Medicare. Look for an account code with an "N" in the O=SS/Med; M=Medicare; N=Neither column.
  - If first hired with the State prior to 04/01/86 **and** was rehired following a permanent separation or break in service on or after 04/01/86, the member will have to pay Medicare. Look for an account code with an "M" in the O=SS/Med; M=Medicare; N=Neither column.

- If first hired with the State on/after 04/01/86, the member will have to pay Medicare. Look for an account code with an "M" in the O=SS/Med; M=Medicare; N=Neither column.
- Exception: If the member is a non-resident alien with an F-1, J-1, M-1 or Q-1 Visa, they are not subject to Social Security so look for an account code an "N" in the O=SS/Med; M=Medicare; N=Neither column.

**NOTE:** If a miscellaneous/industrial member was first hired by the State prior to 04/01/86 and does not have a break in service, they **do not pay Medicare** if they become a Safety, POFF or CHP member. Therefore, look for an account code with "N".

#### 6. Final Compensation

Effective 07/01/91 all state employees were given a one year final compensation in the calculation of their retirement benefit. This means that 12 consecutive months of salary will be averaged to calculate their retirement benefit.

Effective 07/01/06 all new state employees in collective bargaining unit 2 were given a three year final compensation in the calculation of their retirement benefits. This means that 36 consecutive months of salary will be averaged to calculate their retirement benefit. **NOTE:** Any state employment prior to 07/01/06 will exempt the member from the three year final compensation.

Effective 01/01/07 all new state employees in collective bargaining units 1, 3, 4, 7, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, and 21 were given a three year final compensation in the calculation of their retirement benefits. This means that 36 consecutive months of salary will be averaged to calculate their retirement benefit. **NOTE:** Any state employment prior to 01/01/07 will exempt the member from the three year final compensation.

#### 7. Collective Bargaining Unit (CBU):

Some account codes are based on what collective bargaining unit the member is in. Currently there are 21 bargaining units 1 – 21.

- Non-represented members are Supervisors, Confidentials and Managers (S, C, M). With this group ignore the bargaining unit number if the member is miscellaneous, industrial or safety.

**NOTE:** For the non-represented "exempt" employee whose CBID (Section 126 on the PAR) is E01 through E21 they will be associated with the particular CBU. If the employee's CBID is anything else, e.g., E; E00; E48; E97; E99 etc., then they will be associated with all the other non-represented groups of Supervisors, Confidentials and Managers (S, C, M).

#### 8. Concurrent Employment:

If the employee is currently in another position that is also covered by CalPERS, it is possible this position may not be reportable to CalPERS. Please refer to "Overtime Positions" in the "Membership – Civil Service/CSU" section for additional information.

Considering the above information, the table beginning on page 39 will assist you in obtaining the employee's account code. Keep in mind that the account code tables are also located in the Personnel Action Manual (PAM). Account codes may change or be added as they are affected by legislation.

**NOTE:** The use of **bold** within the account code chart indicates a significant change in a specific account code and the effective date of the change. The use of bullets indicates that an entire group of employees has moved to a different account code.

## THE ALTERNATE RETIREMENT PROGRAM (ARP)

The Alternate Retirement Program (ARP) is a mandatory savings plan for certain new first-time State miscellaneous and industrial employees hired on or after August 11, 2004.

### WHO IS ELIGIBLE FOR ARP

- First employed by the State on or after August 11, 2004.
- Meet the definition of "State employees" under G.C. section 19815.
- Qualify for CalPERS membership as a state miscellaneous or state industrial member.

The employer is **required** to complete the ARP Eligibility Worksheet to determine if the employee is mandated into the Alternate Retirement Program. This worksheet can be found through the Department of Personnel's (DPA) Web site under the Personnel Management Letter 2006-053<sup>1</sup> (or Department of Personnel Information Exchange (PIE)) under Policies and Regulations.

### WHO IS NOT ELIGIBLE FOR ARP

- The employee is a current or prior member of CalPERS.
- The employee is or was a member within the prior 6 months of a reciprocal retirement system (see page 161 for list of reciprocal retirement systems).
- The employee is on a Visa and not coordinated with Social Security (non-resident aliens working under the provisions of a F-1, J-1, M-1, or Q-1 visa and performing services to carry out the purpose for which they were admitted to the United States).
- The employee is employed by the California Highway Patrol as a cadet at the department's training school established pursuant to Section 2262 of the Vehicle Code.

- The employee is with the Judges' Retirement System, the Judges' Retirement System II, the Legislators' Retirement System, the State Teachers' Retirement System, or the University of California Retirement Plan.
- The employee is an employee of California State University or the state legislative or judicial branch.
- The employee is appointed as State Safety, State Patrol, or State Peace Officer/Firefighter.

To determine the correct account code for an ARP member, refer to pages 39-40 and 66-67.

### ARP TIMELINE

See diagram on page 38 of this section.

#### First 24 Months:

- Employee contributes to Alternate Retirement Account administered by the Department of Personnel Administration (DPA).
- Contributions to the Alternate Retirement Program are based on the employee's Bargaining Unit Agreement. The contributions will be the same amount that would normally be paid to CalPERS.
- Employees are CalPERS members even though they contribute to the ARP.

#### Beginning the 25th Month

- 505 Transaction to be processed by SCO to transfer member from ARP to CalPERS
- Employee begins contributing to CalPERS
- Employer to give employee the Retirement Benefit Election Package booklet (PERS-PUB-52)
- Employee has 180 days to elect 2<sup>nd</sup> Tier (See First-Tier vs. Second-Tier on page 151 of this handbook.)

<sup>1</sup> This is the latest Alternate Retirement Program (ARP) Eligibility Worksheet at the time of printing this handbook. Please refer to the DPA Web site at [www.dpa.ca.gov](http://www.dpa.ca.gov) to see if there is a later version.

Between the 47th and 49th Month —  
ARP Election

- DPA to send election package to employee
- Employee may make an election on the distribution of their ARP contributions.
- Employee Options:
  - **Option 1:** Transfer all funds in employee's ARP account to CalPERS to buy retirement service credit for the time employee was enrolled in ARP.\* The State would fund the portion of the liability not paid for by employee's ARP account.
  - **Option 2:** Receive a lump-sum distribution of all funds in employee's ARP account, which may subject you to tax penalties for early withdrawal.
  - **Option 3:** Transfer all funds in employee's ARP account to a 401(k) account with the Savings Plus Program (SPP). If employee already has an SPP 401(k) account, the employee's funds will go here; if not, SPP will set up a 401(k) account for the employee. *This option requires no action on the employee's part; it happens automatically if the employee does not submit a form during the three-month period described above.*

- \* If employee opts not to purchase the service credit during this three-month period, the employee remains eligible to purchase the ARP time in the future. If the employee decides to purchase this service in the future, the service will be calculated at a present value cost. This cost may be considerably higher than if the employee transfers their contributions during the election period.

If employee elects to transfer

CalPERS will credit employee's retirement account with 1<sup>st</sup> tier service for the time employee was in ARP. Service credited will be based on the employee's pay rate and earnings for each month the member worked and contributed to ARP.

Return of contributions if employee separates  
State employment:

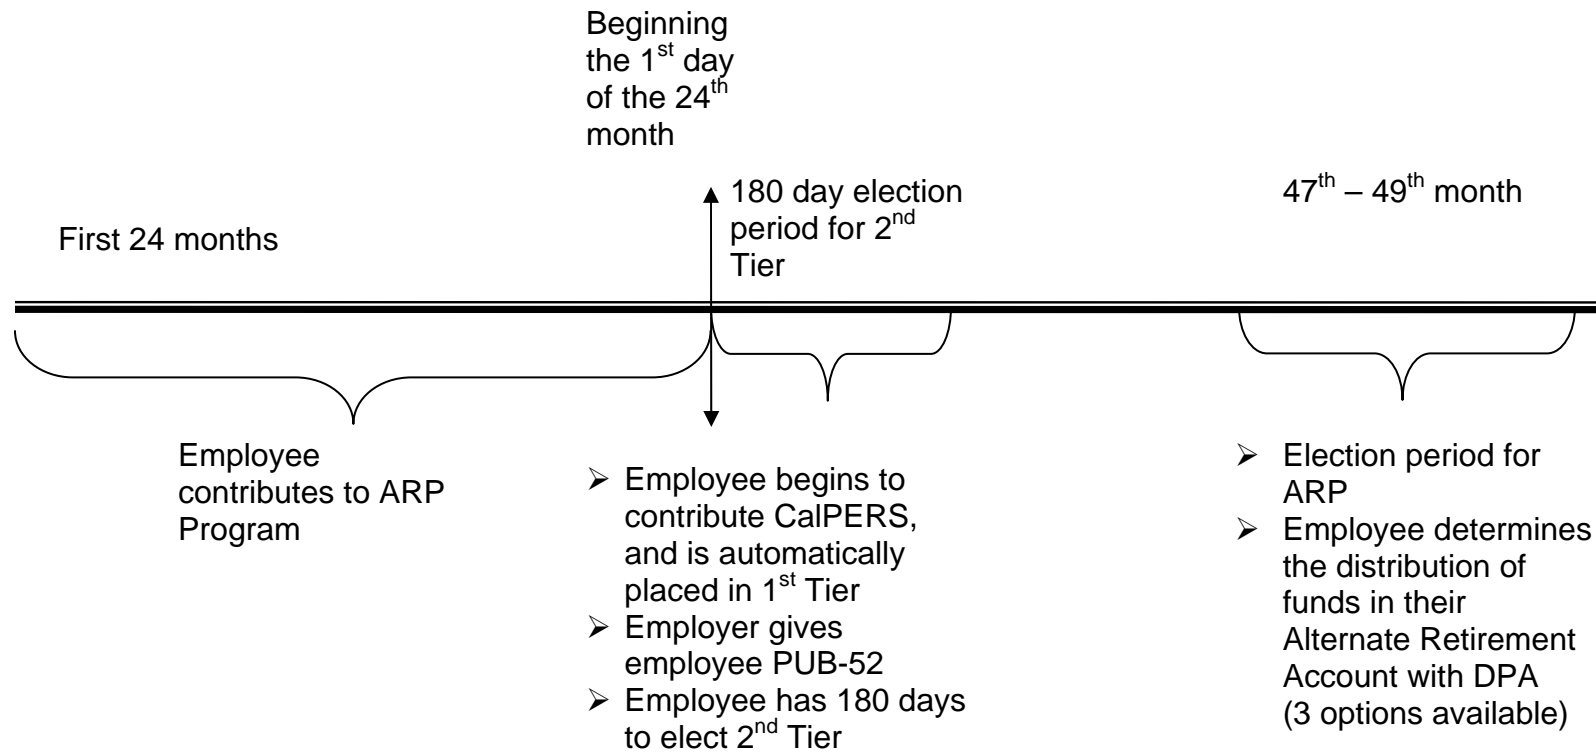

- First 24 months
  - Employee may request a distribution of ARP contributions – See DPA's Web site at [www.dpa.ca.gov](http://www.dpa.ca.gov) for information.
- After employee begins contributing to CalPERS and has not elected transfer of ARP contributions to CalPERS
  - Employee may request a distribution of ARP contributions from DPA.
  - If employee is not employed with another CalPERS employer, employee may request a refund of CalPERS contributions from CalPERS.
- After employee begins contributing to CalPERS and has elected transfer of ARP contributions to CalPERS and has not been employed with another CalPERS employer
  - Employee may request a refund of CalPERS contributions from CalPERS.

Reemployment of an ARP Member to a State  
Miscellaneous/Industrial Position

If you are appointing an ARP member who has permanently separated from employment you would place them back into an ARP coverage group if your appointment date is within 24 months of their first entry into the ARP.

If you are appointing an ARP member and your appointment date is over 24 months from their first entry into the ARP, you would not place them back into the ARP but would instead place them in a CalPERS contributing account code.
